## CHARACTERISTICS OF GEM

---

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.**

Dear Sir or Madam

### **PROPOSED REFRESHMENT OF 10% GENERAL LIMIT UNDER THE SHARE OPTION SCHEME**

#### **INTRODUCTION**

The Board proposes to seek the Shareholders' approval for the refreshment of the 10% General Limit under the Share Option Scheme. The purpose of this circular is to provide you with information in respect thereof and the notice of the EGM.

## LETTER FROM THE BOARD

---

### **PROPOSED REFRESHMENT OF 10% GENERAL LIMIT UNDER THE SHARE OPTION SCHEME**

Under the rules of the Share Option Scheme:

- (1) the maximum number of Shares which may be issued upon the exercise of all options to be granted under the Share Option Scheme and any other share option schemes of the Group is subject to the 10% General Limit; and
- (2) the maximum number of Shares which may be issued upon the exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Group must not in aggregate exceed 30% of the Shares in issue from time to time.

The Company may seek approval from the Shareholders in general meeting for refreshing the 10% General Limit so that the maximum number of Shares which may be issued upon the exercise of all options to be granted under the Share Option Scheme and any other share option schemes of the Group shall be re-set at 10% of the Shares in issue as at the date of approval of the limit as “refreshed”. In this connection, options previously granted under the Share Option Scheme and any other share option schemes of the Group (including options outstanding, cancelled, lapsed or exercised) will not be counted for the purpose of calculating the 10% General Limit as “refreshed”.

The Share Option Scheme was adopted on 10 September 2013 (“**Adoption Date**”). The 10% General Limit has not been previously refreshed since the Adoption Date. The existing 10% General Limit is 40,000,000 Shares. Since the Adoption Date and up to the Latest Practicable Date, options to subscribe for 40,000,000 Shares have been granted. The Company has complied with Rule 23.03(4) of the GEM Listing Rules for the share options granted.

---

## LETTER FROM THE BOARD

---

### Outstanding options under the Share Option Scheme as at the Latest Practicable Date

As at the Latest Practicable Date, options entitling the holders thereof to subscribe for 40,000,000 Shares, representing approximately 4.63% of the issued shares of the Company, remained outstanding ("Outstanding Share Options"), details of which are set out below:

## LETTER FROM THE BOARD

---

### **Reasons for and benefits of the proposed refreshment of 10% General Limit under the Share Option Scheme**

The purpose of the Share Option Scheme is to grant options to Eligible Participants, who, in the sole discretion of the Board, have made or may make contribution to the Group, so as to attract and retain the best available personnel, to provide additional incentive to employees (fulltime and part-time), directors, consultants, advisers, distributors, contractors, suppliers, agents, customers, business partners and services providers of the Group and to promote the success of the business of the Group.

The 10% General Limit has not been refreshed since the Adoption Date. As set out in the paragraph headed “Details of options since 10 September 2013 (the Adoption Date)” in this letter from the Board, options entitling the holders thereof to subscribe for 40,000,000 Shares have already been granted. No option for Shares can be further granted by the Directors under the existing 10% General Limit.

As a result, unless the 10% General Limit is refreshed in accordance with the rules of the Share Option Scheme, the Share Option Scheme cannot continue to serve such intended purpose for the benefits of the Group and the Shareholders. As such, the Directors consider that it is in the interests of the Company and the Shareholders as a whole to grant the refreshment of the 10% General Limit, and the Directors will propose the passing of the ordinary resolution at the EGM for “refreshing” the 10% General Limit.

### **Effect of the proposed refreshment of the 10% General Limit on the Company’s shareholding structure**

As at the Latest Practicable Date, the total number of Shares in issue was 864,000,000.

Upon the grant of the proposed refreshment of the 10% General Limit and assuming the total number of Shares in issue remains unchanged as at the date of the EGM, the Company may grant options to Eligible Participants to subscribe for a maximum of 86,400,000 Shares, being 10% of the Shares in issue as at the date of approval of the proposed refreshment of the 10% General Limit. Assuming the Consideration Shares have been allotted and issued (but no further Shares are issued or repurchased by the Company) as at the date of the EGM, the Company may grant options to Eligible Participants to subscribe for a maximum of 105,049,234 Shares under the 10% General Limit if so refreshed.

---

## LETTER FROM THE BOARD

---

### **Conditions for the proposed refreshment of the 10% General Limit**

The refreshment of the 10% General Limit is conditional upon:

- (a) the passing of an ordinary resolution by the Shareholders at the EGM to approve the proposed refreshment of the 10% General Limit under the Share Option Scheme; and
- (b) the obtaining of the approval by the Stock Exchange for the listing of, and permission to deal in such number of Shares, representing 10% of the issued Shares as at the date of the EGM, which may fall to be allotted and issued pursuant to the exercise of the options to be granted under the Share Option Scheme within the 10% General Limit so refreshed having been granted.

### **Application for listing**

Application will be made to the Stock Exchange for obtaining the approval by the Stock Exchange for the listing of, and permission to deal in such number of Shares which may fall to be allotted and issued pursuant to the exercise of the options granted within the 10% General Limit so refreshed.

### **EGM**

The EGM will be held at 5/F., Euro Trade Centre, 13-14 Connaught Road Central, Central, Hong Kong on Friday, 23 December 2016 at 10:00 a.m. for the purpose of considering, and if thought fit, approving the refreshment of the 10% General Limit. The notice of the EGM is set out on pages EGM-1 to EGM-3 of this circular.

To the best knowledge, information and belief of the Directors, no Shareholder will be required to abstain from voting on the ordinary resolution approving the refreshment of the 10% General Limit to be proposed at the EGM.

Whether or not you intend to attend and vote in person at the EGM, you are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon to the Company's branch share registrar and transfer office in Hong Kong, Union Registrars Limited at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong as soon as possible but in any event not later than 48 hours before the time appointed for the holding of the EGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from subsequently attending and voting in person at the EGM or any adjourned meeting should you so desire.

---

## **LETTER FROM THE BOARD**

---

### **RECOMMENDATION**

The Directors consider that the proposed refreshment of the 10% General Limit is in the interests of the Company and the Shareholders as a whole. Therefore, the Directors (including the independent non-executive Directors) recommend the Shareholders to vote in favour of the relevant resolution at the EGM.

### **RESPONSIBILITY STATEMENT**

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.
